About Sheetz

Sheetz is a family owned convenience store chain based in Altoona, Pennsylvania. For more than 50 years, their mission has been to meet the needs of customers on the go. Of course, things have changed over those 50+ years. Life is faster and busier, and customers expect Sheetz to be there! One thing that hasn't changed over the years is their commitment to customers, employees and the communities in which they operate.

Their History

Bob Sheetz founded Sheetz, Inc. in 1952 when he purchased one of his father's five dairy stores located in Altoona, Pennsylvania. In 1961, Bob hired his brother Steve to work part-time at the store.

In 1995, Stan Sheetz, Bob's son, became president and Steve assumed the position of Chairman of the Board. To this day, Sheetz maintains a unique and successful family business with five family members serving on the Executive Committee.

Since 1952, Sheetz has grown from a small dairy/deli in Altoona, PA, to one of the fastest growing, family-owned convenience stores in the world, with more than 394 locations across six states — Pennsylvania, Maryland, Virginia, West Virginia, Ohio and North Carolina — and more than 13,000 employees.

Committed to Customers

Sheetz is committed to customers. Their mission is to provide fast, friendly service and quality products in clean and convenient locations. Sheetz continues to reinvent and bring innovation to their service industry. In fact, their Vision is to create the business that will put Sheetz, as we know it today, out of business. That's what keeps Sheetz on top and keeps them focused on ways to make their business even more successful in the future.

Committed to Community

They connect with neighbors in a number of ways and through various charitable organizations like Special Olympics, youth sports groups (such as North Raleigh Red Hawks) and Sheetz Family Christmas®.

Sheetz employees started Sheetz Family Christmas® in 1992. Since then, we have raised millions of dollars to help fulfill the wishes of needy children during the holiday season.
